Goal

My biggest goal has always been to be the best version of myself. To improve both my hardskills and my softskills.

Education

2016 – 2019 NTI-Gymnasiet Södertorn: El- och energiprogram, Inriktning dator- och kommunikationsteknik.

Hardskills

General computer competence
General network competence
Basic knowledge of Python
Active Directory
HTML
CSS
JavaScript

Softskills

Great Communication skills
Great Teamplayer
Problem Solver
Responsible
Efficient

Experience

2019/06/10 - 2020/08/26 Scania IT
(Sodertalje)

After the internship at Scania IT, I received the offer to continue with them as a part of their Customer Support team. My time as an Agent at CS has helped me to develop my IT skills and develop myself as a person in group work and customer service.
